

# HOME WILDFIRE PREPAREDNESS PROGRAM

## GLOBAL EMERGENCY RELIEF, RECOVERY & RECONSTRUCTION

### WHO WE ARE

Global Emergency Relief, Recovery & Reconstruction (GER<sup>3</sup>) supports crisis-affected communities globally to build back better. GER<sup>3</sup> is working with Altadena residents affected by the Eaton Fire to offer home hardening and fire-resistant landscaping services to build a more wildfire prepared community – **at no cost to homeowners.**

**GER<sup>3</sup> will harden nearly 60 homes over the course of its program.**

### WE ARE PROVIDING

- ✓ Home Resilience Assessments to identify wildfire vulnerabilities
- ✓ Upgrades to harden home, such as:
  - Installation of 1/8-inch wire mesh and non-combustible siding
- ✓ Zone 0, 5-foot defensible space clearing, such as:
  - Vegetation and overhanging branch removal, fence replacement, and gravel installation
- ✓ Inspection and application for IBHS Wildfire-Prepared Base Certification for qualifying homes

AI generated  
1/8-in Wire Mesh
