About KB Home

KB Home is one of the largest and most trusted homebuilders in the United States. We operate in 49 markets, have built nearly 700,000 quality homes in our more than 65-year history, and are honored to be the #1 customer-ranked national homebuilder based on third-party buyer surveys. What sets KB Home apart is building strong, personal relationships with every customer and creating an exceptional homebuying experience that offers our homebuyers the ability to personalize their home based on what they value at a price they can afford. As the industry leader in sustainability, KB Home has achieved one of the highest residential energy-efficiency ratings and delivered more ENERGY STAR® certified homes than any other builder, helping to lower the total cost of homeownership.
